#MEW2020

NC SUSTAINABLE  
ENERGY ASSOCIATION

# Overview /

**WHERE ENERGY POLICY GETS TO WORK.** Over the course of the next six months, NCSEA will be offering a monthly webinar series featuring varying topics in clean energy from finance to policy and market insights. Join hundreds of attendees from across the country to get the latest scoop on trending clean energy topics sweeping the industry. Each webinar will feature nationally and regionally renowned experts within their respective fields to help shape the conversations driving clean energy forward in North Carolina and the country.

As a benefit to our members, stakeholders, and supporters during this tough time, NCSEA will be offering each of these **webinars free of charge!** Below are the webinar dates and times:

Tuesday, June 9 at 3:00 pm

Tuesday, August 11 at 3:00 pm

Tuesday, June 23 at 3:00 pm

Tuesday, September 22 at 3:00 pm

Tuesday, July 14 at 3:00 pm

Tuesday, October 6 at 3:00 pm

# Why Attend? /

**INFORM:** Gain deeper understanding of the cutting-edge clean energy policies that will lead to widespread adoption of clean energy within North Carolina and beyond.

**CONNECT:** Connect with industry leaders and fellow attendees via interactive webinar features, including Q&A, chat boxes, and polls.

**ADVANCE:** Advance North Carolina's status as a clean energy leader in the Southeast by building relationships and enhancing your business opportunities in North Carolina, the Southeast, and beyond.
